Our interior décor is Mexican Hacienda style, using stucco textured walls, polished concrete floors with bright pastel colored walls throughout. The restaurant has terra cotta tile floor and granite top bar area, ceiling fans and a 'see-thru' elevator behind the bar. The guests rooms are clean and spacious, include color TVs, environmentally friendly (Green) air conditioners and refrigerators. All rooms have personal safes. Many rooms have street view balconies with textured sand finish floors.

The Pattaya Cantina restaurant features Mexican fare, made using family recipes from Baja Mexico and Southern California. We use local and imported ingredients to keep it fresh and authentic. Also served is an assortment of Thai favorites and many Western dishes. Our goal is to prepare and serve the finest most authentic and best tasting Mexican food possible. We build our recipe base daily from family personal favorites. All orders are prepared fresh! Especially the tortilla chips are made to order to insure the fresh and crispy texture. The specialty of the house has to be the chicken enchiladas with the chili Verde (green chili) a close second. Wash these favorites down with a House Margarita and enjoy life!

While your stay with us is to relax and enjoy some really great Mexican food, there are many exciting things to see and

do in Pattaya, aside from the night life; there are 20 professional golf courses around Pattaya alone. Scuba and snorkeling around the local islands, para sailing, jet ski rentals, elephant and 4x4 trekking, just to name a few of the fun daytime activities . We can book a tee time or schedule any activity that you wish, just let us know.

The Pattaya Cantina guesthouse also has a junior golf academy for teens from around the world. Our instructor is a PGA pro with many years experience coaching juniors and preparing them for tournaments or just to improve their game. This program is by appointment and can be any time of the year subject to space availability. Included is room and board, golf instruction and actual playtime on professional courses around Pattaya, possibly even a tournament or two depending on the time of year.
